We are able to collect the following:

Plastic – Locate the logo for either #1 or # 2 plastics. Remove caps, clean the container, & sort by number:

Sabine County Recycling Committee, helping to "Keep Sabine Clean."

Cardboard – Break down the boxes; remove any packing materials.

Paper – This includes junk mail, catalogs, and newspaper. It cannot be wet.

Please note: If there are storms, the volunteers will not be at the site, so the public is requested to kindly keep their recyclable goods until the next recycling day.

We are a group of volunteers who need help, both physically and financially. Please consider joining us in helping to protect our environment. Thank you for your consideration.

Our collection site is @ the Precinct 1 barn located on FM 1175. We're easy to get to! The hours that we, the citizens, are able to help you recycle are from nine to noon (9-12). Please do not leave materials at the site unless volunteers are present.
