We are able to collect the following:

Plastic – Locate the logo for either #1 or #2 plastics. Remove and discard caps, clean the container, & sort by number:

Use only clear plastic bags. We cannot accept other plastic bags. Plastic goes in plastic bags!

Cardboard – Break down the boxes; remove and discard any packing materials such as Styrofoam inserts or plastic. **The cardboard must not be contaminated with food.**

Paper – This includes junk mail, catalogs, product boxes such as cereal boxes, and newspaper. **It cannot be wet or contaminated by food.** Put the paper in brown paper bags provided to you. Paper goes in paper bags!

Our collection site is @ the Precinct 1 barn located on FM 1175. The hours that we, the citizens, are able to help you recycle are from nine to noon (9-12). **NOTICE THE CHANGE IN SUMMER HOURS:** July, August, & early September.

Please note: If there are storms, the volunteers will not be at the site, so the public is requested to kindly keep their recyclable goods until the next scheduled recycling day.
