Citizens of Sabine County,

I, along with the rest of the county officials are tied with many entities. I am tapping all resources to furnish you and our webpage with current information.

I am working diligently to keep everyone informed with the Federal, State and County declarations and orders issued over the past several days. I wish to reintegrate each and all below.

**Proclamation on Declaring a National Emergency Concerning the Novel  
Coronavirus Disease (COVID-19) Outbreak**

Issued on: March 13, 2020

---

---

In December 2019, a novel (new) coronavirus known as SARS-CoV-2 (“the virus”) was first detected in Wuhan, Hubei Province, People’s Republic of China, causing outbreaks of the coronavirus disease COVID-19 that has now spread globally. The Secretary of Health and Human Services (HHS) declared a public health emergency on January 31, 2020, under section 319 of the Public Health Service Act (42 U.S.C. 247d), in response to COVID-19. I have taken sweeping action to control the spread of the virus in the United States, including by suspending entry of foreign nationals seeking entry who had been physically present within the prior 14 days in certain jurisdictions where COVID-19 outbreaks have occurred, including the People’s Republic of China, the Islamic Republic of Iran, and the Schengen Area of Europe. The Federal Government, along with State and local governments, has taken preventive and proactive measures to slow the spread of the virus and treat those affected, including by instituting Federal quarantines for individuals evacuated from foreign nations, issuing a declaration pursuant to section 319F-3 of the Public Health Service Act (42 U.S.C. 247d-6d), and releasing policies to accelerate the acquisition of personal protective equipment and streamline bringing new diagnostic capabilities to laboratories. On March 11, 2020, the World Health Organization announced that the COVID-19 outbreak can be characterized as a pandemic, as the rates of infection continue to rise in many locations around the world and across the United States.

The spread of COVID-19 within our Nation’s communities threatens to strain our Nation’s healthcare systems. As of March 12, 2020, 1,645 people from 47 States have been infected with the virus that causes COVID-19. It is incumbent on hospitals and medical facilities throughout

the country to assess their preparedness posture and be prepared to surge capacity and capability. Additional measures, however, are needed to successfully contain and combat the virus in the United States.

NOW, THEREFORE, I, DONALD J. TRUMP, President of the United States, by the authority vested in me by the Constitution and the laws of the United States of America, including sections 201 and 301 of the National Emergencies Act (50 U.S.C. 1601 *et seq.*) and consistent with section 1135 of the Social Security Act (SSA), as amended (42 U.S.C. 1320b-5), do hereby find and proclaim that the COVID-19 outbreak in the United States constitutes a national emergency, beginning March 1, 2020. Pursuant to this declaration, I direct as follows:

Section 1. Emergency Authority. The Secretary of HHS may exercise the authority under section 1135 of the SSA to temporarily waive or modify certain requirements of the Medicare, Medicaid, and State Children's Health Insurance programs and of the Health Insurance Portability and Accountability Act Privacy Rule throughout the duration of the public health emergency declared in response to the COVID-19 outbreak.

Sec. 2. Certification and Notice. In exercising this authority, the Secretary of HHS shall provide certification and advance written notice to the Congress as required by section 1135(d) of the SSA (42 U.S.C. 1320b-5(d)).

Sec. 3. General Provisions. (a) Nothing in this proclamation shall be construed to impair or otherwise affect:

- (i) the authority granted by law to an executive department or agency, or the head thereof; or
  - (ii) the functions of the Director of the Office of Management and Budget relating to budgetary, administrative, or legislative proposals.
- (b) This proclamation shall be implemented consistent with applicable law and subject to the availability of appropriations.
- (c) This proclamation is not intended to, and does not, create any right or benefit, substantive or procedural, enforceable at law or in equity by any party against the United States, its departments, agencies, or entities, its officers, employees, or agents, or any other person.

IN WITNESS WHEREOF, I have hereunto set my hand this thirteenth day of March, in the year of our Lord two thousand twenty, and of the Independence of the United States of America the two hundred and forty-fourth.

DONALD J. TRUMP

WHEREAS, there are more than 50 Texans with pending tests for COVID-19 in Texas; and

WHEREAS, some schools, universities, and other governmental entities are beginning to alter their schedules, and some venues are beginning to temporarily close, as precautionary responses to the increasing presence of COVID-19 in Texas; and

WHEREAS, costs incurred to prepare for and respond to COVID-19 are beginning to mount at the state and local levels; and

WHEREAS, the State of Texas has already taken numerous steps to prepare for COVID-19, such as increasing laboratory testing capacity, coordinating preparedness efforts across state agencies, and working with local partners to promote appropriate mitigation efforts; and

Pursuant to Section 418.017 of the code, I authorize the use of all available resources of state government and of political subdivisions that are reasonably necessary to cope with this disaster.

Pursuant to Section 418.016 of the code, any regulatory statute prescribing the procedures for conduct of state business or any order or rule of a state agency that would in any way prevent, hinder, or delay necessary action in coping with this disaster shall be suspended upon written approval of the Office of the Governor. However, to the

extent that the enforcement of any state statute or administrative rule regarding contracting or procurement would impede any state agency's emergency response that is necessary to cope with this declared disaster, I hereby suspend such statutes and rules for the duration of this declared disaster for that limited purpose.

In accordance with the statutory requirements, copies of this proclamation shall be filed with the applicable authorities.

IN TESTIMONY WHEREOF, I have hereunto signed my name and have officially caused the Seal of State to be affixed at my office in the City of Austin, Texas, this the 13th day of March, 2020.

## **Governor Abbott Issues Executive Orders To Mitigate Spread Of COVID-19 In Texas**

March 19, 2020 | Austin, Texas | Proclamation

WHEREAS, the novel coronavirus (COVID-19) has been recognized globally as a contagious respiratory virus; and

WHEREAS, I, Greg Abbott, Governor of Texas, issued a disaster proclamation on March 13, 2020, certifying that COVID-19 poses an imminent threat of disaster for all counties in the state of Texas; and

WHEREAS, COVID-19 continues to spread and to pose an increasing, imminent threat of disaster throughout Texas; and

WHEREAS, the Centers for Disease Control and Prevention (CDC) has advised that person-to-person contact heightens the risk of COVID-19 transmission; and

WHEREAS, the President's Coronavirus Guidelines for America, as promulgated by President Donald J. Trump and the CDC on March 16, 2020, call upon Americans to slow the spread of COVID-19 by avoiding social gatherings in groups of more than 10 people, using drive-thru, pickup, or delivery options at restaurants and bars, and avoiding visitation at nursing homes, among other steps; and

WHEREAS, the Texas Department of State Health Services has now determined that, as of March 19, 2020, COVID-19 represents a public health disaster within the meaning of Chapter 81 of the Texas Health and Safety Code; and

WHEREAS, under the Texas Disaster Act of 1975, "[t]he governor is responsible for meeting . . . the dangers to the state and people presented by disasters" (Section

418.001 of the Texas Government Code), and the legislature has given the governor broad authority to fulfill that responsibility.

NOW, THEREFORE, I, Greg Abbott, Governor of Texas, by virtue of the power and authority vested in me by the Constitution and laws of the State of Texas, do hereby order the following on a statewide basis effective 11:59 p.m. on March 20, 2020, and continuing until 11:59 p.m. on April 3, 2020, subject to extension thereafter based on the status of COVID-19 in Texas and the recommendations of the CDC:

*Order No. 1* - In accordance with the Guidelines from the President and the CDC, every person in Texas shall avoid social gatherings in groups of more than 10 people.

*Order No. 2* - In accordance with the Guidelines from the President and the CDC, people shall avoid eating or drinking at bars, restaurants, and food courts, or visiting gyms or massage parlors; provided, however, that the use of drive-thru, pickup, or delivery options is allowed and highly encouraged throughout the limited duration of this executive order.

*Order No. 3* - In accordance with the Guidelines from the President and the CDC, people shall not visit nursing homes or retirement or long-term care facilities unless to provide critical assistance.

*Order No. 4* - In accordance with the Guidelines from the President and the CDC, schools shall temporarily close.

This executive order does not prohibit people from visiting a variety of places, including grocery stores, gas stations, parks, and banks, so long as the necessary precautions are maintained to reduce the transmission of COVID-19. This executive order does not mandate sheltering in place. All critical infrastructure will remain operational, domestic travel will remain unrestricted, and government entities and businesses will continue providing essential services. For offices and workplaces that remain open, employees should practice good hygiene and, where feasible, work from home in order to achieve optimum isolation from COVID-19. The more that people reduce their public contact, the sooner COVID-19 will be contained and the sooner this executive order will expire.

This executive order supersedes all previous orders on this matter that are in conflict or inconsistent with its terms, and this order shall remain in effect and in full force until 11:59 p.m. on April 3, 2020, subject to being extended, modified, amended, rescinded, or superseded by me or by a succeeding governor.

Given under my hand this the 19th day of March, 2020.
