

Sabine County Hospital District

Taxpayer Impact Statement

(Required under Texas Government Code §551 as amended by HB 1522, effective September 1, 2025)

This notice informs taxpayers of the potential impact of the proposed budget and tax rate for Fiscal Year 2026–27, comparing what would be paid under the no-new-revenue tax rate versus the proposed tax rate.

1. Median-Value Taxable Homestead

Current Year (FY 2026-27) \$67,140.00

2. Tax Rates

No-New-Revenue Tax Rate (FY 2025-26) 0.157322 per \$100 valuation

Proposed Tax Rate (FY 2025-26) 0.171995 per \$100 valuation

3. Estimated Annual Tax Bill Comparison

Scenario	Tax Rate	Estimated Tax Bill	Difference from No-New Revenue
No-New-Revenue (FY 2026-27)	0.157322	\$105.63	-
Proposed Budget (FY 2026-27)	0.171995	\$115.48	\$9.85

Calculations:

- No-New-Revenue Tax Bill = $(67,140 \div 100) \times 0.157322 \approx \105.63

- Proposed Tax Bill = $(67,140 \div 100) \times 0.171995 \approx \115.48

Summary

If the Sabine County Hospital District adopts the proposed tax rate of \$0.171995 per \$100 valuation, the average homestead owner would pay approximately \$9.85 more annually compared to the no-new-revenue tax rate. This increase supports continued county hospital and emergency medical services.
