## Local Government Debt Reporting Submission Form

### Debt Obligation Reporting under Local Government Code, Section 140.008

**New** - In 2019, the 86th Legislature passed House Bill 3001 which removes duplicative reporting requirements by updating Local Government Code §140.008. Starting on September 1, 2019, special purpose districts, as described by Government Code §403.0241(b), that annually submit the Special Purpose District Financial and Tax Report to the Comptroller no longer have to also submit the Local Government Debt Report.

Political subdivisions choosing to fulfill HB 1378 requirements by reporting to the Comptroller's office must fill out the form below, which allows for submission of required documents OR a web link to political subdivisions' local debt information. Download our Annual Local Debt Report Form [[comptroller.texas.gov/transparency/local/docs/debt-report-form.xlsx](https://comptroller.texas.gov/transparency/local/docs/debt-report-form.xlsx)] for political subdivisions to use in complying with HB 1378. Note that the Comptroller will not be editing or evaluating submissions and that uploaded documents and web links will be posted as-is.
